

# Dirty Boys

Kix

Hey little sister whatcha need  
I got what you're looking for  
(?)  
When you own the candy store  
hey you wet behind the ears  
No - There ain't no angels here  
Better watch those dirty boys  
Here they come  
Better watch those dirty boys  
Sticks and stones will break your bones  
But I'm on a winning streak  
Don't stop me now leave me alone  
I like playin' in the street  
We came here to make some noise  
Hey - Better watch these dirty boys  
My mama taught me pretty please  
But I was daddy's little squirt  
(?)  
When he was laying in the dirt  
Hey you wet behind the ears  
No! - There ain't no angels here  
Better watch those dirty boys  
Here they come  
Better watch those dirty boys  
Give it to me
