

# Little Missionary

## Cherub Wings

### 'Verse One

There was a time, not long ago,  
a little girl there lived.  
A tiny thing, with a smiling face,  
in the house down by the bridge.

### Verse Two

She walked to school, every day,  
and always in her hand,  
she'd bring some food, to give away,  
to others who had none.

### Chorus

And she lived her life so sweetly,  
caring for others so completely,  
just a little tiny thing she was,  
but when you saw her, you would always think of God.

OOOO lalalala, she's a little missionary,  
OOOO ayayaya, she's a little missionary.

### Verse Three

And when she'd meet, a lonely soul,  
a sweet word you could hear,  
telling the story true, and oh!  
The gospel story dear - uh-huh!

The days went by, and our little friend;  
she lived in simple ways,  
showing Jesus everywhere she went,  
and his love filled all her days.

(Repeat Chorus)

### Verse Four

It came so slow, nobody knows,  
just when it really started.  
But we woke one day and looked around,  
and our old ways had departed!

Verse Five

Everyone was living sweetly,  
caring for others so completely.

The little tiny girl had taught  
the entire village how to live for God

Bridge

You don't have to travel far,  
you can be a blessing where you are.

You can be a missionary,  
by letting God's love work through you each day. (each and every day)

(Repeat Chorus)
