

# Run like hell

## Peter and the Test Tube Babies

I was down the local disco getting' off with this girl., things were going really good, going really well.

We was alone in a corner kissing and then I heard, this bloke come up behind me and say ..

" Oi, that's my fucking bird!! "Down the local disco eyeing-up some skirt, she was giving-it all that, god she was a flirt.

She came up to me and said: "Do you wanna dance ?" Well I thought this is it I'm in here with a chance. Then this bloody great big geezer said, " 'ere mate that's my girl"

Well I didn't want no trouble, so I run like bloody hell. Run like hell, run like hell.
