

Long

Brazilian Girls

How long can you be walkin' on eggshells and breathe in thin air?

Get yourself ready for departure when you're already there
Longer than the wall of China, longer than longin'
for love

Longer than your pantomime when the audience is bored
How can you tip toe to the exit with your tapping shoes
on?

Listen to yourself when your cell phone rings and the radios on?
Longer than your hair in the 80s, longer than
the long run

Longer than the longest winter, longer than long
How can you dance on the battlefield with your Sunday clothes
on?

How long can you go along with this shit with a straight face on and on?
Longer than these walls of China,
longer than you know what

Longer than the weakest picture, longer than long
Come on

Long long

Long long

So long
