

The Letter

PJ Harvey

Put the pen
To the paper
And press the envelope
With my scent Can't you see
In my handwriting
The curve of my G?
The longing Oh, oh
Oh, oh Who is left
That writes these days?
But you and me
We'll be different Take the cap
Off your pen
And wet the envelope
Lick and lick it Oh, oh
Oh, oh I need you
The time is running out
Oh baby
Can't you hear me call? It turns me on
To imagine
Your blue eyes
On my words Your beautiful pen
Take the cap off
Give me a sign
And I'd come running Oh, oh
Oh, oh It's you
I want you
Oh, it's you
