Don't Let Me Down

Automatic Loveletter

Tonight let's rid ourselves of love
Our lives are ending in the rain along with
a bottle and my red dress on
oohh the blood is rushing through our skin
I don't know what's happening
but I'm losing my soul-o-o
oooh I found the word my love again
let's woo-oo-oo
let's woo-oo-oo
Let's fall in love again, love again
will we woo-o-all we've done is
love again
love again
we get on until the break of dawn
So don't let me down
and don't shut me out
no don't let me down
I've got your eyes you've got my lips
The room is dark
But the moon is tricky, there you'll see
Enough to take my red dress off
oohh the blood is rushing out with him
I don't know what's happening
but I feel myself blow
oooh I found the word my love again
Let's woo-oo-oo
Let's woo-oo-oo

Let's fall in love again, love again
will we woo-o-all we've done is
love again
love again
we get on until the break of dawn
So don't let me down
And don't shut me out
No don't let me down
House is empty, no one's watching
Kiss me once you never stop please
Angels bleed and fall in silence

Everything feels right with youuuu oh
So don't let me down
and don't shut me out
no don't let me down
and don't shut me out
no don't let me down
Let's fall in love again, love again
will we woo-o-all we've done is
love again, love again
we get on until the break of -
love again, love again
will we woo-o-all we've done is
love again, love again
we get on until the break of dawn
So don't let me down
and don't shut me out
no don't let me down
