

# Soulful Dress

## Sugar Pie DeSanto

Soulful dress  
Im gonna put on my dress  
With those slits up both the sides  
With that, tight thin waist  
And that low neck line  
Lord Im going to the party  
Gonna have some fun  
Gonna shake and shout  
Until the morning come  
If you wanna keep your man  
You better get as sharp as you can  
Ill be at my best  
When I put on my soulful dressIm gonna put on my dress  
That hits me way above my knees  
With that v-cut back  
It has straps instead of sleeves  
Lord Im going to the party  
Uuuh, looking good  
Im gonna shake everybody  
Like I knew I would  
Dont you girls go and gettin jealous  
If I round up all your fellas  
Cause Ill be at my best  
When I wear my soulful dressNow watch out there boy...  
(Break)Im gonna put on my dress  
That hits me way above my knees  
With that v-cut back  
It has straps instead of sleeves  
Lord Im going to the party  
Uuuh, looking good  
Im gonna shake everybody  
Like I knew I would  
Dont you girls go and gettin jealous  
If I round up all your fellows  
Cause Ill be at my best  
When I put on my soulful dress
