Zimbabwe (Flume Remix)

New Navy

Let's board a plane without no destination
Taking time and gonna need some patience
Cause
Holiday
Leaving city for an open highway
Or the planet for a clear blue sky way
Oh it's our good.We need a holiday
Away from here
Into Zimbabwe babwe babwe babweChanges in this slight vacation
Lets go along to our destination now
Holiday
Leave the office for the open planes and
Leave the paper work for the other days
Just, goWe need a holiday
Away from here
Into Zimbabwe babwe babwe babweNeed a holiday
Away from here
Into Zimbabwe babwe babwe babweNeed a holiday
Away from here
Into Zimbabwe babwe babwe babwe
