Some Hearts

The Remingtons

I've never been the kind that you'd call lucky
Always stumbling around in circles
But I must have stumbled into something
Look at me am I really alone with youI wake up feeling like my life's worth living
Can't recall when I last felt that way
Guess it must be all this love you're giving
Never knew, never knew it could be like thisBut I guess
Some hearts, they just get all the right breaks
Some hearts have the stars on their side
Some hearts, they just have it so easy
Some hearts just get lucky sometimes
Some hearts just get lucky, lucky sometimesNow who'd have thought someone like you could love me
You're the last thing my heart expected
Who'd have thought I'd ever find somebody
Someone who someone who makes me feel like thisWell I guess
Some hearts, they just get all the right breaks
Some hearts have the stars on their side
Some hearts, they just have it so easy
Some hearts just get lucky sometimes
Some hearts just get lucky sometimesEven hearts like mine
Get lucky, lucky sometimes
Even hearts like mineSome hearts, they just get all the right breaks
Some hearts have the stars on their side, yes
Some hearts, they just have it so easy
Some hearts just get lucky sometimesSome hearts, they just get all the right breaks
Some hearts have the stars on their side, yes
Some hearts, they just have it so easy
Some hearts just get lucky sometimes
Some hearts just get lucky sometimes, sometimes
