

Shine On

Billy Dean

If we're to be the light
That shines for all of man
Then how can we light the wayIf we don't go to them
I believe to know, God's heart
Is to meet them where they areWon't you shine on?
Won't you shine on?
You can shine on, shine onIn all that's said and done
And everything you do
Just let your life glorifyThe one who shines on you
I believe, we worship Christ
When we show the world, His lightWon't you shine on?
Won't you shine on?
You can shine on, shine onShine on, shine onWon't you shine on?
Won't you shine on?
You can shine on, shine onWon't you shine on?
Won't you shine on?
You can shine on, shine on
