Parade

Joywave

I can't let you go
I can't quit you cold

So tell me I'm your dream cause I'm supposed to be
I really wanted to let you know
So tell me I'm desired cause I'd hoped to be
It's the only thing that'll make me whole

I'm marching
(They're on parade)
Can't help it though
I'm surrounded
(They're on parade)
By people I don't know

I've been watching close
I've been browsing slow

So tell me I'm your dream cause I'm supposed to be
I really wanted to let you know
So tell me I'm desired cause I'd hoped to be
It's the only thing that'll make me whole

I'm marching
(They're on parade)
Can't help it though
I'm surrounded
(They're on parade)
By people I don't know

Just stay outta my way [x2]

I'm marching
(They're on parade)
Can't help it though
I'm surrounded
(They're on parade)
