Anymore

Seo In Young

English Translation:
I hear your voice from somewhere
And again like a fool, I draw you out in my head (again)
An inexplicable, strong force embraces me
And there are only faded memories deeply nailed into my lifeI heard that you were doing well
But I'm trapped alone in this stopped timeWhat you want is not me
I know this but I still held onto you
But that fool isn't here anymore
And I feel like we can't go on anymore
Anymore oh oh oh anymore oh oh oh anymore oh oh oh
Don't wanna cry anymoreA day without you isn't so bad
So I think it's all for the best, you know
You may have wanted me to cry and beg
But that's just your selfish thought - it's too late
Even memories become wilted flowers in front of time
Like falling stars in the night sky, they lose the lightWhat you want is not me
I know this but I still held onto you
But that fool isn't here anymore
And I feel like we can't go on anymore
Anymore oh oh oh anymore oh oh oh anymore oh oh oh
Don't wanna cry anymorePlease be happier than when you were with me
Cause I know that you will think of me sometimes tooWhat you want is not me
I know this but I still held onto you
But that fool isn't here anymore
And I feel like we can't go on anymore
Anymore oh oh oh anymore oh oh oh anymore oh oh oh
Don't wanna cry anymore
