

# Bullet in the Brain

## The Black Keys

Bullet in the brain  
I prefer than to remain the same  
Bullet in the brain  
I prefer than to remain the same Looking back on where we used to be  
Everything was clear, still I refuse to see  
Hearts began to rust  
The diamond turned to dust  
Baby took her pain all out on me Bullet in the brain  
I prefer than to remain the same  
Bullet in the brain  
I prefer than to remain the same I know I share the blame for what's in store  
I was in the wrong but weren't you anymore  
I let you use my gifts  
To back your lying wits  
I'll never know just what I did it for
