Lovin' Proof

Celine Dion

I know some lovers would be satisfied
With sweet 'I love you's' and some pretty lines
But that won't get you in this heart of mine
No, you'll never steal my heart away
With just words, sweet words that you say
It's all in the things that you do
I'm tellin' you
If you want me to believe
That I'm the only one you need
I need lovin' proof, I need lovin' proof
Baby, hold me in your arms
And show me something from the heart
Give me lovin' proof
I need lovin' proof from you, baby
And if the love you got is strong and true
And if you love me like you say you do
Your tender touch will tell the honest truth
And your kiss could never tell a lie
'Cuz I see it in your eyes
There's one way to ease any doubt
I tell you now
If you want me to believe
That I'm the only one you need
I need lovin' proof, I need lovin' proof
Baby, I won't be impressed
Unless I get some tenderness
Give me lovin' proof
I need lovin' proof from you
If the love is right
Prove it to me all night from you
'Cause you'll never steal my heart away
With just words sweet words that you say
It's all in the things that you do, do, do, do, do
I'm tellin' you, tellin' you baby

If you want me to believe
That I'm the only one you need
I need lovin' proof, I need lovin' proof
Baby, hold me in your arms

And show me something from the heart
Give me lovin' proof, give me lovin' proof from you
Give me lovin' proof, baby
If you want me to believe
That I'm the only one you need
Lovin' proof, lovin' proof
I won't be impressed
Unless I get some tenderness
Lovin' proof, lovin' proof
If you want me to believe
That I'm the only one you need
Lovin' proof, lovin' proof
I won't be impressed
Unless I get some tenderness
Give me lovin' proof, lovin' proof
If you want me to believe
That I'm the only one you need
Give me lovin' proof, lovin' proof
If you want me to believe
I won't be impressed
Unless I get some tenderness
Give me lovin' proof, lovin' proof
If you want me to believe
That I'm the only one you need
Give me lovin' proof, lovin' proof
I won't be impressed
Unless I get some tenderness
