

# Are. Friends Electric

## Groove Armada

It's cold outside  
And the paint's peeling  
Off of my walls  
There's a man outside  
In a long coat, gray hat  
Smoking a cigarette

And now  
The light fades out  
And I wonder  
What I'm doing  
In a room like this  
And there's  
A knock on the door  
And just for a second  
I thought  
I remembered you

So now I'm alone  
And now  
I can think for myself  
About little deals  
And S.U's  
And things  
I just don't understand  
A white lie that night  
Or a sly touch at times  
I don't think it  
Meant anything to you

So I open the door  
It's the 'friend'  
That I'd left  
In the hallway  
'Please sit down'  
A candlelit shadow  
On a wall near the bed

You know I hate to ask  
But are 'friends' electric?

Only mine's broke down  
And now I've no-one to love

So I found out  
Your reasons  
For the phone calls  
And smiles  
And it hurts  
And I'm lonely  
And I should never  
Have tried  
And I missed you tonight  
It must be time to leave  
You see it meant  
Everything to me

Now the light fades out  
And I wonder  
What I'm doing  
In a room like this  
It's cold outside  
And the paint's peeling  
Off of my walls  
You know I hate to ask  
But are 'friends' electric?  
Only mine's broke down  
And now  
I've no-one to love
