

On The Other Side

Vetiver

Look around, what do I see
Strange people with some place to be
Getting lost out in the crowd
Saying nothing, talking loud
Sounding nervous, act uptight
Boast the bully oh first to fight
See, to me that don't seem right
I'm on the other side You know those who need to win
Keep pushing til the very end
Ill go easy, ill step light
I'm on the other side No pressure, I don't worry
I do what comes naturally
No need to, rush or hurry
That's just ain't my speed
I can wait, rock steady
Be ready when you are
With eyes on the ball Far away from the maddening crowd
Grateful not to be so proud
And with patience as my guide
I'm on the other side
I'm on the other side
