

# Awaken

## Elevation Worship

chorus:

awaken my heart, awaken my soul  
to tell of all you've done  
awaken my heart, awaken my soul  
to sing of your great love

verse:  
I lift my cry to you oh God  
only you can save

I will not fear the darkness here  
where the lions wait

pre-chorus:  
you send from heaven and you rescue me, you rescue me  
I will take refuge in the shadow of your wings

verse 2:  
I will run hard into your arms  
Lord you carry me  
despite my pain your plan remains  
you will deliver me

pre-chorus

chorus  
outro:  
God you lifted me out  
God you lifted me out  
and I'll tell all the world
