killer
KILLER

a testosterone feeding drone
multiplying, multiplying hungry clones
time to

DEFY
the HIVE

KILL YOUR MASTERS!

MENOCIIIDE!

our time has come!!!
I.

you're just as weak as me
but not as strong!

just as imperfect!
but twice as flawed!

i see your skin
and i hate the way

you look at me!

and softly invade

eye'm afraid!
rage intensified!

insane!
i'll feel no fear or hate as i ...
commit
MENOCIDE!!
[menocide!]

house-wives
girls in the playroom

slaves to lies!!

servants in the workplace
RISE!
RISE!

II.

those who refuse to grow
we leave behind

!give death to them!
with an evolved state of mind

save your cries
no one's listening
everything they taught
was a lie

hear me now this battlecry
DIE! DIE!
CONCUBINE!

- what to wear
- what to eat
- what to think
- what to feel
- how to act
- how to speak
- incomplete!!

- insecure

ENOUGH!!!

.. apple eater!

.. deceiver!

.. protector of the way!

this is the beginning of my Liberation!

THIS IS THE BEGINNING!!

BRIDES & BREEDERS!!

Lillith, Eve, Isis, Kali

GIVE ME FREE!!

[always]

REMEMBER!!!

FEE-MALE CIRCUMCISIONS!

LIKE SALEM WITCHES!

BURNING!

NEVER AGAIN!

NEVER AGAIN!

no compassion

kill your masters!

MENOCIDE!

kill your masters
