

# Shalalalala

## Romantica

(Verse 1)

There's a boy in my mind and he knows that im thinking of him  
All my way to the day and the night the stars shine above me  
He's been gone for sometime but I know i truly love him  
And i'm singing a song, hoping he'll be back when he hears it

(Chorus)

My heart goes shalala lala, shalala in the morning  
Shalala lala, shalala in the sunshine  
Shalala lala, shalala in the evening  
Shalala lala, shalala lala just for you

(Verse 2)

If your loves gone away just like mine you feel like crying  
Sing along maybe once, maybe twice, lets try it together  
Some sweet day no one knows he'll return and you'll be happy  
Shout it sweet in a song, listen to your heart it is singing

(Chorusx2)

Shalala lala just for you
