

Rise and Shine

The Cardigans

I want to be alone for a while
I want earth to breathe to me
I want the waves to grow loud
I want the sun to bleed down
To bleed down

See the waves go down
See the moon alone
I rise my head and whisper

Rise and shine
Rise and shine my sister

I want to see the wounded moon
I want the sea to break through
I want it all to be gone tomorrow
So I've come to say goodbye
To say goodbye
