Sad Sad Song

Mxpx

You got a sad, sad song so sing it without me
You got a sad, sad song so sing it without me
Stab out my eyes, cut off my ears
'Cause I don't want to hear what you say
And now you're blaming me for all your bad memories
When you're the one who threw them away
You got a sad, sad song so sing it without me
You got a sad, sad song so sing it without me
'Cause I don't want to sing along
No, I don't want to sing your sad, sad song
You get a good thing going then you turn it around
I'm beginning to think you went nuts
To tell you the truth, I don't really care

Okay, I really hate your guts
No, no, no
No, no, no
No, no, no
You got a sad, sad song so sing it without me
You got a sad, sad song so sing it without me
'Cause I don't want to sing along
No, I don't want to sing your sad, sad song
No, no, no
No, no, no
No, no, no
