

# Baby

## Tomorrows Tulips

I see you roll your eyes  
when i turn my head too quickly  
and I wonder if when i'm far away  
what do you say and do you miss me  
am I looking into it too much  
or just being your babyi see you roll your eyes  
when i turn my head too quickly  
and I wonder if when i'm far away  
what do you say and do you miss me  
well im tired not of trynig but of being your baby
