

Hold On

Stellar Kart

I am all around you
And I see every where you see
I am everything you believeIf the stars don't shine tonight
And tomorrow forgets the light
Hold on, hold on to meYou are loved completely
And you mean everything to me
You will always be here with meIf the stars don't shine tonight
And tomorrow forgets the light
Hold on, hold on to meHold on to me
With everything you have
Hold on to me
Don't be afraid I'm here to stayIf the stars don't shine tonight
And tomorrow forgets the light
Hold on, hold on to meIf your hope is running dry
And your dreams have waved goodbye
Hold on, hold on to me
Hold on to me, hold on to me
