

# Mirror, Mirror

## Diamond Rio

Mirror, mirror, on my wall  
Tell me, who is the loneliest fool of all  
Now, wait a minute, I believe I see  
The answer staring back at me Spent most of the morning laying in bed  
Lunch was a black coffee and three cigarettes  
They say it will kill me but I've got a hunch  
That this broken heart's gonna beat 'em to the punch Oh mirror, mirror, on my wall  
Tell me, who is the loneliest fool of all  
Now, wait a minute, I believe I see  
The answer staring back at me Yes, I'm the one who swore she would stay  
Right up to the moment the u-haul drove away  
She didn't leave a table, she didn't leave a chair  
But she knew what she was doing when she left you hanging there Oh mirror, mirror, on my wall  
Tell me, who is the loneliest fool of all  
Now, wait a minute, I believe I see  
The answer staring back at me  
Now, wait a minute, I believe I see  
The answer staring back at me
