Gust Of Wind

RAY BONNEVILLE

Annie said to Lou, I'll be gone come first light
When this night is through, I must take flight
I can't be, Your reason to live
If you look you will see, I'm just a gust of wind
A gust of wind, that's all I am
Just a gust of wind, In a strange land

If the ace of hearts is what you long for
One in 52 cards, that's what the odds are
I heard some advice, I keep recallin'
Never hold on tight, to a gust of wind
A gust of wind, Nothing more
Just a gust of wind, leaving out the door

When I first came here, I was just wandering
Without concern, For any one thing
I can't say why, It's just what I seen
You can't run and hide, from a gust of wind
A gust of wind, That's all that it is
Just a gust of wind, Nothing to fear
Nothing to fear
