Zombie Attack (Old Demo)

Tankard

I'm just hanging around tonight,
just watching films
I am on the Zombie Trip and brutal things I like
Zombie attack
The film I saw is over now and I leave my home
Brutal Zombies are shouting so hard,
is it real or not?
Zombie attack
I wake up, this was a dream, I drink my beer
But then I see a Zombie killin',
I know I must die
Zombie attack
