Yes I Do

St. Lola In The Fields

Ooh, ooh, ooh, ooh
Do I cry in the night?
Do I long to hold you tight?
Do I wake wanting you?
Yes I do
Do I recall every day?
How you took my breath away?
Do I remember loving you?
Yes I do
Yes, I do dream of all we had together
Guess it?s true, we lost it all forever
And do I pray anyway?
Yes, I do
I don?t live in the past

Wanting love that wouldn?t last
And I don?t ache like I used to
Yes, I do
Yes, I do dream of all we had together
Guess it?s true, we lost it all forever
Do I pray anyway?
Yes, I do
Yes, I do dream of all we had together
Guess it?s true, we lost it all forever
Do I pray anyway?
Yes, I do
Yes, I do and do I pray?
Yes, I do dream of all we had together
Yes, I do and yes, I do
