

# Yes I Do

## St. Lola In The Fields

Ooh, ooh, ooh, ooh  
Do I cry in the night?  
Do I long to hold you tight?  
Do I wake wanting you?  
Yes I do  
Do I recall every day?  
How you took my breath away?  
Do I remember loving you?  
Yes I do  
Yes, I do dream of all we had together  
Guess it's true, we lost it all forever  
And do I pray anyway?  
Yes, I do  
I don't live in the past

Wanting love that wouldn't last  
And I don't ache like I used to  
Yes, I do  
Yes, I do dream of all we had together  
Guess it's true, we lost it all forever  
Do I pray anyway?  
Yes, I do  
Yes, I do dream of all we had together  
Guess it's true, we lost it all forever  
Do I pray anyway?  
Yes, I do  
Yes, I do and do I pray?  
Yes, I do dream of all we had together  
Yes, I do and yes, I do
