

# Journeyman

## Jamestown Revival

Well, the road came calling and it wants some more  
Boots start to shuffle across the hardwood floor  
A cup of coffee and I'm out the door  
A shiver when I feel the cold And it's bye bye baby with a kiss  
I don't know how long it'll be like this  
Gotta couple things left on my list  
To cross before I've grown old A journeyman, I'm highway bound  
Drawn to the road while the others settle down  
Don't know when I'm coming home  
A journeyman, I'm too far gone  
Can't turn away from the road I'm traveling on I met a man out in Tennessee  
Twenty years away, he was just like me  
He said I let a lover slip away from me  
She told me that I'd always be just A journeyman, I'm highway bound  
Drawn to the road while the others settle down  
Don't know when I'm coming home  
A journey man, I'm too far gone  
Can't turn away form the road I'm traveling on I'm a journeyman, journeyman, journeyman One day I'm going  
to hang it up  
Buy some land and a pickup truck  
Lay my head by the one I love  
She's the one that I'm thinking of I'm a journeyman, I'm highway bound  
Drawn to the road while the others settle down  
Don't know when I'm coming home  
Just a journeyman, I'm too far gone  
Can't turn away form the road I'm traveling on I'm a journeyman, journeyman, journeyman  
I'm a journeyman, journeyman, journeyman
