

# Pollen

## Crunch

You've got pollen on your nose  
Where've you been? Where've you been?  
Pretty pretty bunch, i'll take a dozen of those  
You've got pollen on your nose I want love in the afternoon (x4) You've got pollen on your nose  
Where've you been? Where've you been?  
We make the dirt go flying with the shovels and hoes  
You've got pollen on your nose I wait and see if you'll give it to me (x4) You've got pollen on your nose  
I've been leaking like a garden hose
