

She's Got The Rhythm

The Summer Set

She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my god, she's got the rhythm
And she's got me wakin' up
C'mon, c'mon, show me what you got
I swear, we're gonna tear it up
Oh yeah, we can leave it all behind
'Cause you've got it going on
And I've gotta say
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my god, she's got the rhythm
And she's got me wakin' up
I keep your picture by my bedside
I'm sleeping all the time
Just to wake up to you
Just to wake up to you
And I'm in love with everything you do
You can have the best of me
Forget what I want, you're all that I need
You've got it going on and I've gotta say
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my god, she's got the rhythm
She's got me wakin' up
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my god, she's got the rhythm
She's got me wakin' up
She's got the rhythm and I can't forget
She's gonna give in
We're gonna give it two more years
And oh my god, she's got the rhythm
She's got me wakin' up
