## Project Pitchfork

I saw your birth  
I saw you crawling  
Now I hear your screams  
And I see you falling  
Where is the beginning?  
Where is the end?  
Decisions were made  
Now you depend  
On moods of a child  
Giving fear into the worldDay by day we struggle  
We work hard for something we don't see  
For something we don't feel  
But we go on and on - day by day by day  
[2x]  
(by day) [17x]This thing isn't human  
Although it's made out of them  
It got a million eyes  
And it never thinks until the end  
It isn't a child  
It's too big to be one  
It's the ignored inside  
Giving shape to a monster outsideDay by day we struggle  
We work hard for something we don't see  
For something we don't feel  
But we go on and on - day by day by day  
[4x]  
(by day) [17x]
