One Day At A Time

Jonas Brothers

Wednesday, I came home from school
Did my homework in my room
Then I watched some TV
I still miss you
Thursday, morning went on line
Got to school at half past nine
Wound up in detention
I still miss you
Everything I do
Brings me back to you
And I die
One day at a time
'Cause I just can?t seem
To get you off my mind
No matter how I try
Try to kill the time
Well, I think that I?m just going crazy
One day at a time
Friday, I got out of bed
Tried to smile, frowned instead
Burnt some toast for breakfast
I still miss you
Saturday, I turned sixteen
Never dreamt you?d act so mean
You didn?t even call me
But I still miss you
And when I turn ninety four
I think I?ll miss you even more

And I die
One day at a time
'Cause I just can?t seem
To get you off my mind
No matter how I try
Try to kill the time
Well, I think that I?m just going crazy
One day at a time
I miss you more
Than I did a minute ago

I?d climb a mountain
Just to hear your echo, you
All I wanted was you and tell me please
Do you think of me now and then
'Cause if I'll never see you again
I'll still miss you
And I die
One day at a time
'Cause I just can?t seem
To get you off my mind
No matter how I try
Try to kill the time
Well, I think that I?m just going crazy
One day at a time
Oh, one day at a time
Well, I think that I?m just going crazy
One day at a time
Oh, I think, I?m going crazy
One day at a time
