

# One Day At A Time

## Jonas Brothers

Wednesday, I came home from school

Did my homework in my room

Then I watched some TV

I still miss you

Thursday, morning went on line

Got to school at half past nine

Wound up in detention

I still miss you

Everything I do

Brings me back to you

And I die

One day at a time

'Cause I just can't seem

To get you off my mind

No matter how I try

Try to kill the time

Well, I think that I'm just going crazy

One day at a time

Friday, I got out of bed

Tried to smile, frowned instead

Burnt some toast for breakfast

I still miss you

Saturday, I turned sixteen

Never dreamt you'd act so mean

You didn't even call me

But I still miss you

And when I turn ninety four

I think I'll miss you even more

And I die

One day at a time

'Cause I just can't seem

To get you off my mind

No matter how I try

Try to kill the time

Well, I think that I'm just going crazy

One day at a time

I miss you more

Than I did a minute ago

I'd climb a mountain  
Just to hear your echo, you  
All I wanted was you and tell me please  
Do you think of me now and then  
'Cause if I'll never see you again  
I'll still miss you  
And I die  
One day at a time  
'Cause I just can't seem  
To get you off my mind  
No matter how I try  
Try to kill the time  
Well, I think that I'm just going crazy  
One day at a time  
Oh, one day at a time  
Well, I think that I'm just going crazy  
One day at a time  
Oh, I think, I'm going crazy  
One day at a time
