

# Cain and Able

[Josh Kelley](#)

I'm sick of chasing after things  
I'd rather them chase after me  
Keeping up is bound to wear me down  
There's a million ways to skin a cat I put my choices in a hat  
Picked a few and threw the bad ones out  
Well, I know now So if you want me  
You better knock me down  
'Cause I ain't easy  
And this ain't hallowed ground I've been thinking 'bout old Cain and Able  
Sittin' at a breakfast table  
Talking 'bout the way things used to be Able looked at Cain and said  
"All that shit was in your head"  
I'd like to think that Cain was hard to please  
Well, I know now So if you want me  
You better knock me down  
'Cause I ain't easy  
And this ain't hallowed ground She said, "No one will love you more than me"  
I looked at her, she looked at me  
I think she's waiting for me to believe I wish that love was all it took  
I'd fall into you if I could  
Hoping for a graceful recovery  
Well, I know now So if you want me  
You better knock me down  
'Cause I ain't easy  
And this ain't hallowed ground
