

For You I Will (Confidence) (Single Version)

[Teddy Geiger](#)

I'm wandering the streets in a world underneath it all
Nothing seems to be
Nothing tastes as sweet as what I can't have
Like you and the way that you're twisting your hair round your finger
Tonight I'm not afraid to tell you
What I feel about you I'm gonna muster every ounce of confidence I have
And cannonball into the water
I'm gonna muster every ounce of confidence I have
For you I will for you I will forgive me if I st-stutter
From all the clutter in my head
Cause I could fall asleep in those eyes
Like a water bed
Do I seem familiar
I crossed you in hallways a thousand times
No more camouflage
I want to be exposed
And not be afraid to fall I'm gonna muster every ounce of confidence I have
And cannonball into the water
I'm gonna muster every ounce of confidence I have
For you I will for you I will Always want what you can't have
But I got to try
I'm gonna muster every ounce of confidence I have
For you I will, for you I will, for you I will if I could dim the lights in the mall
And create a mood, I would
And shout out your name so it echoes in every room
I would that's what I'd do
That's what I'd do
To get through to you I'm gonna muster every ounce of confidence I have
And cannonball into the water
I'm gonna muster every ounce of confidence I have
For you I will for you I will Always want what you can't have
But I got to try
I'm gonna muster every ounce of confidence I have
For you I will, for you I will, for you I will
