Alice in Chains

(Oh yeah)You insult me in my home you're forgiven this time

Things go well, your eyes dilate, you shake, and I'm high

Look in my eyes deep and watch the clouds change with time

Twenty hours won't print my picture milk carton size(Carton size)Call me up congratulations ain't the real why

There's no pressures besides brilliance let's say by day nine

Endless corporate ignorance lets me control time(By the way)Once again you see an in discolored skin gives

So afraid you'd kindly gurgle out a date for me(Oh yeah)Now the body of one soul I adore wants to die You have always told me you'd not live past twenty-five

you away

I say stay long enough to repay all who cause strifeOnce again you see an in discolored skin gives you away So afraid you kindly gurgle out a date for meOnce again you see an in Discolored skin gives you away So afraid you'd kindly gurgle out a date for me(Oh yeah)I bear true and an existing witness to this barrel of monkeys

A self proclaimed immoral success, perfected by each whereof
Individually deadly and equally so
And spread about the surrendered troops, for even thousands of miles
Will not tear apart their communication, or the lack thereof
Vultures, liars, thieves, each proclaim their innocence in no suggestion or rhyme
Your weapon is contained in the wreckin' of the keeping the desired effect
The breakin' of the spirit thwarts the whole being(Your weapon is guilt)
Guilt
