Get The Picture

Trombone Shorty

Some got the money, some got the gold
Some get the good, good loving, some got soul
Some get fame, some get greed
But if you got faith, you get what you need
You get what you need, you get what you need
You get what you needSome people are real loud, some don't say a thing
Some people take what others bring
some people drive, some people honk
Some got the blues, I play the funk
(I play the funk) I play the funk
(I play the funk) I play the funkAnd when we get to other side, we can't hide
We can't get any richer (Oh, no)
And when you're 6 feet down below
It doesn't matter what's you know
Get the picture, get the picture
