On The Sly

The Bamboos

Wipe it up, you're capable
Of putting back a few
When you have to memorize
The history of your body like a virgin
Ladies' night, '80s night
The kids get high and eat TV
So do we for Halloween
I want to be Lenny Bruce
I want them to hate me
I want them to hate me
I want them to hate me
So you can love me on the sly
My old flame broke the 12 bar blues
Just to prove he could
He pays the airline DJs now
He is everywhere
I want him to hate me
I want him to hate me
I want him to hate me
So you can love me on the sly
I want him to hate me
I want him to hate me
I don't feel so far away from you lately
Love me on the sly
Fill me in on horrible
How much is there? Where else can I live?
The dirty sugar factory
On the water should smell sweet
I want them to hate me
I want them to hate me
I don't feel so far away from you lately
Love me on the sly
I want them to hate me
I want them to hate me
I don't feel so far away from you lately
Love me on the sly
I want them to hate me
I want them to hate me
I don't feel so far away from you lately

Love me on the sly
