

# Purgatory

## Deez Nuts

I made my bed  
Well first I'll fucking lie here  
All broken, cold sweat, into this nightmare  
See the end of the tunnel, there ain't no light there  
Tasting the kiss of death every day I savour it  
Every day, a hopeless plight  
A vicious circle, [?] in my life  
I [won't be?] ending on a high note  
But there's no death or glory for me  
This is purgatory  
I see the end of the tunnel  
There ain't no light there  
But there's no death or glory for me  
This is purgatory  
(Purgatory, purgatory)  
Tasting the kiss of death  
Every day I savour it  
But there's no death or glory  
This is purgatory  
God bless the child, cos I've got my own  
But I still dance with the devil so my death's forever set in stone  
I mourn for my youth, I pray for the [?]  
But I live for my sins  
[?] find a better me  
I mourn for my youth, I pray for the [?]  
But I live for my sins  
[?] find a better me  
I mourn for my youth, I pray for the [?]  
But I live for my sins  
[?] find a better me  
But there's no death or glory for me  
This is purgatory  
I see the end of the tunnel  
There ain't no light there  
But there's no death or glory for me  
This is purgatory  
(Purgatory, purgatory)  
Tasting the kiss of death  
Every day I savour it  
But there's no death or glory

This is fucking purgatory
