

# Ready For Us

Peter Andre

Say lady, been thinking bout this all night  
Trying to put these words together so I can get it right  
I notice you ain't used to dealing with this type of guy  
I ain't your average dude so there's no need for thinking twice  
One thing I know for sure is that I can change your life  
And girl you know it so come and take that ride  
And I can prove it, just let me do it  
Anything that you need, girl I'm here for you  
Hey girl (hey girl) I hope you're ready for us  
I'll be that dude that you want but I've gotta be honest  
I ain't perfect, but I'm worth it  
Got my word give you what it is that you deserve  
Hey girl (hey girl) I hope you're ready for love  
I'll be that dude that you want but I've gotta be honest  
I ain't perfect, but I'm worth it  
Got my word give you what it is  
From day one girl I knew we had a connection  
Don't wanna push up too soon (so there's no pressure)  
We can take it slow (slow)  
I'ma let you know (know)  
What you've got right here is a man who could recognize a good girl when he sees her  
One who knows all the ways how to please her  
I'ma take you on another level you ain't ever been before

All you gotta do is just say the word  
Hey girl (hey girl) I hope you're ready for us  
I'll be that dude that you want but I've gotta be honest  
I ain't perfect, but I'm worth it  
Got my word give you what it is that you deserve  
Hey girl (hey girl) I hope you're ready for love  
I'll be that dude that you want but I've gotta be honest  
I ain't perfect, but I'm worth it  
Got my word give you what it is  
Hey ladies, tell me where you at  
If you're ready for love let me see you do that  
Hey ladies, throw your hands up if you're ready for love  
To all the fellas, tell her that you're ready for love  
Hey girl (hey girl) I hope you're ready for us  
I'll be that dude that you want but I've gotta be honest

I ain't perfect, but I'm worth it  
Got my word give you what it is that you deserve  
Hey girl (hey girl) I hope you're ready for love  
I'll be that dude that you want but I've gotta be honest  
I ain't perfect, but I'm worth it  
Got my word give you what it is that you deserve  
Hey girl
