

Moonchild

Fields of the Nephilim

Moonchild
Moonchild
Moonchild Well it's a righteous dream
But out of mind, yeah
A righteous dream
But out of mind, yeah Tend the horses
Let them crawl
Put them in their cages
Open your eyes
And despite what's deep
Longevity
Well, that's righteous for the weak Moonchild
Lower me down, lower me down
Moonchild
Lower me down down down down down down Well it's a righteous day
But out of mind, yeah
Oh, it's a righteous day Never return, I will wait no more
Take no prisoners in the promised war
You'll die for this
Die for this take them Moonchild
Lower me down, lower me down
Moonchild
Lower me down
Moonchild
Lower me down
Moonchild
Lower me down down down down down down Here comes the silver pieces
Can't you see you're losing me Moonchild
Lower me down, lower me down
Moonchild
Lower me down
Moonchild
Lower me down
Moonchild
Lower me down down down down down down
Moonchild
Lower me down
Moonchild
Lower me down down down down down down Revisit to an empty hall

You can't see I've been burned before
Well they tear you down and they'll bear your shame
Longevity hear my painMoonchild
And I'm waiting, and I'm raging
And I'm waiting, and I'm raging
And a white moon falls, a black moon calls
Waiting to defy the oneMoonchild
A longevity, a longevity
I melt down where I burned before
A longevity, longevity
I melt down where I burned before
And I know where you lay
I melt down where I burned before
And I know where you lay
