Donovan

In the area we now call the Atlantic Ocean So great an area of land that from her western shores

And the North Americas with ease  
In their ships with painted sails To them East Africa was a neighbor  
Across a short strait of sea miles

In all legends from all lands were from far Atlantis Knowing her fate, Atlantis sent out ships  
To all corners of the Earth, on board were the  
Twelve, 'The poet, the physician, the farmer, the scientist  
The magician and the other so-called Gods of our legends' Though Gods they were  
And as the elders of our time choose to remain blind  
Let us rejoice and let us sing  
And dance and ring in the new  
Hail Atlantis Way down below the ocean where I wanna be, she may be  
Way down below the ocean where I wanna be, she may be  
Way down below the ocean where I wanna be, she may be
