

I Must Be Out of My Mind

Royal Republic

Shes addictive, I wanna have some more,
so predictive, i've seen it coming before
she ignores me and still i'm screaming her name.
It's always the same
She turns me on, brings me down, i'm in love I must be out of my mind,
thinking that you could be mine
I get the feeling that i'm wasting my time
I guess i'll stand in line, hoping to see you tonight
I do it all because you're one of a kind
you make me go where i don't wanna go
you make me wait out, all night after the show
so take a look and you'll find i must be out of my mind she invites me but i'm not ready to go
i think she likes me i guess i'll never know
shes addictive i wanna have some more
its just like before
she shakes the ground, turns my head upside down I must be out of my mind,
thinking that you could be mine
I get the feeling that i'm wasting my time
I guess i'll stand in line, hoping to see you tonight
I do it all because your one of a kind
you make me go where i don't wanna go
you make me wait out, all night after the show
so take a look and you'll find i must be out of my mind
