I Won't Try

Liquido

l'm so sorry l'm willing to lose
l'm willing to let you down
oh, l'm sorry but it's hard to handle
it's hard to handle love
yes l remember all the bad and good times
every day we had
sorry for running off
to find the right thing
to find the right way: l WON'T TRY - I'M SORRY TO SAY GOODBYE
AND l WON'T l WON'T TRY - I'M SORRY TO SAY SO
Four letters so important for us
for all to understand
oh l'm sorry not a single one
a single one would believe
no l'm not glad l've never been
l've never been so far. so unhappy l can't believe
how stupid l have been: l WON'T TRY - I'M SORRY TO SAY GOODBYE
AND l WON'T l WON'T TRY - I'M SORRY TO SAY SO
