

# Begin

## The Wailin' Jennys

Hey, maybe the time  
just wasn't right to hang on  
When are you gonna learn  
Sometimes things turn instead of turn out

Hey, when are you gonna stand  
Stop looking over your shoulder  
Me, with a head full of words  
And not one useful expression  
Hey, let go

We, with holes in our hearts  
Were whole at the start  
Our story began  
We film ourselves 'til the end  
Try to suspend our lives in the dark

Hey, when are you gonna stand  
Stop looking over your shoulder  
See, there's a sun in the sky  
And a moon that will take us til morning  
When are you gonna stand  
Stop and begin this moment  
Hey, let go  
Let go
