## Lime

(Denis LePage, Denyse Lepage)Oh, your love, I would do most anything
Oh, your kiss, I would go most anywhere
Oh, your touch, I would do most anything
Oh, your smile, I would go moust anywhereI've tried, yes, I've tried
(Oh, your love)
I know it's gonna take some time
(I would do most anything)
'Cause every time I see you, boy
(Oh, your kiss)
We never give a chance for joy(Chorus, Repeat 2x)

I can get no reply
I can get no reply
I can get no replySleepless endless nights
I'm wonderin' how to make it right
What can I do if there's someone else
I wish you'd knew or did you guessedYou're on the move
I'm wonderin' what you're tryin' to prove
Give me a chance, a connection(Repeat Chrous 2x)(Keyboard Solo)(Repeat Chorus and Fade)
