Lime

(Denis LePage, Denyse Lepage) Oh, your love, I would do most anything

 Oh, your kiss, I would go most anywhere

 Oh, your touch, I would do most anything

Oh, your smile, I would go most anywhere I've tried, yes, I've tried

 (Oh, your love)

 I know it's gonna take some time

 (I would do most anything)

 'Cause every time I see you, boy

 (Oh, your kiss)

We never give a chance for joy (Chorus, Repeat 2x)

 I can get no reply

 I can get no reply

 I can get no reply Sleepless endless nights

 I'm wonderin' how to make it right

 What can I do if there's someone else

 I wish you'd knew or did you guessed You're on the move

 I'm wonderin' what you're tryin' to prove

Give me a chance, a connection (Repeat Chorus 2x) (Keyboard Solo) (Repeat Chorus and Fade)
