

Pulseczar (Gish Sessions Demo)

Smashing Pumpkins

Yeah

I see you comin' from the sky

I see you callin' from the sky

Your sky can't heal you, you again

Your sky won't heal you again Why must I try, oh, why must I try

'Cause I'm waiting for you like never waited for me

Why oh why, oh, why, why oh why

I try, why oh why must I try

I know what you mean
