

The Letter

Foxy Brown

Advisory - the following lyrics contain explicit language:

This is a letter from Inga
To my mother, and my brothers, and my baby
Dear Mommy, I apologize
I know it's because of me that your life is traumatized and
It's 'cause of me that at times you wanna die
But you was always there when your little Na Na cried and
When the media said Foxy's ill
You was there when this fame almost got me killed
When I was in the hospital, could not be still
Only you knew the reasons why I popped these pills
And to my friends I love them and I know they care
But, time after time, you was always there
When I did the Vibe cover, holdin' my crotch
I was wailin', while you prayed for me hopin' I'll stop
Sorry for the times I didn't tell the truth
And I'm sorry for the times when I yelled at you
I love you mommy, sorry that's happened
Please pass the letter to Gavin
This is a letter from Inga
To my mother, and my brothers, and my baby
Ah yeah, oh oh oh yeah
So many memories
Gavin, dang, where do I start
You knew it all, you was there from the start
My cold deed the ear to my heart
Just writing this tears me apart, see
Seemed like yesterday when I signed my deal
Brought the Benz, and put you behind the wheel
I wanted you to know that I did it for us
And I wanted you to know I was committed to us
And of course the long way, we had our disputes
You didn't care for some of the things that I would do
But you still watched my back, complete and the same
You're the one that used to school me, and teach me the game, see
Whether I'm here, or dead in a box
Keep my name alive, you know no bitch is better than Fox
I love you, tell ma I'll never forget her

Let Ant read the rest of the letter
This is a letter
To my mother, and my brothers, and my baby
Ah come on home
Oh, I love you, yeah
Anton, don't let this letter get you down
Dagg, I hope I didn't let you down
I made my mistakes, I was young in the mind
But you gotta admit, I was one of a kind
Remember Miami when you fought my man
Can't imagine how mentally lost I am
Never knew life could be so painful
Tell daddy I love him, and I'm still his little angel
I'm all cried out, I feel like I wanna go
Can't take this no more
I want my life like it was before
My life so raw, love you Ant but I can't write no more
Oh come on come back home
Memories, memories
Oh, I'm so sorry, I want my lover
Yeah, this is my letter, yeah yeah
To my mother and my brothers and my baby
My my my baby, please, listen, listen to me, yeah
Oh somebody listen, listen to me
Come on home, memories, memories
Oh I love my mother
And my brother
But what about my baby
Oh my my baby
Listen to me listen
Keep the family
Come back home to me
Oh, my letter, my letter, my my letter
